Ammaji (Meghna Malik [3]) has a lot to worry about on Na Aana Is Des Laado [4] on Colors and her worries will multiply with every ticking second as Bhanupratap (Aman Verma [5]) enters Veerpur.

A source says, “Since Amma *ji* had caught Shaurya (Varun Kapoor [6]) and Dia (Simran Kaur [7]) together in the garden now Jhanavi (Vaishnavi Dhanraj [8]) will tell Amma*ji* a different story where Dia will look like the bad girl who is hitting on her sister’s lover. Hence Amma*ji* will ask Jhanavi to slap Dia. In order to convince Amma*ji* Jhanavi will slap Dia and save both Shaurya and Dia.

“Now Amma *ji* who is on her way to meet a politician in Milanpur will pass Veerpur and she will want to see it once again. She will enter Veerpur to relive her past memories. Hence she stops at Veerpur for a short while. And just after she leaves Veerpur Bhanupratap enters the place. He is back in the country and decides to visit Veerpur as he had defeated Amma*ji* there. But they do not meet.

“However later Amma *ji* will plan to get Jhanavi and Shaurya engaged and she will ask Shaurya to introduce her to his parents. Since his engagement with Jhanavi is not real he will try arranging for ‘fake’ parents. This is when there are some light moments in an otherwise serious story as Shaurya, Jhanavi and Dia will audition for Shaurya’s parents. After the audition they will select this funny couple who will then enter Amma*ji*’s house.”

Vaishnavi says, “We have been doing a lot of drama to hide the actual love story of Dia and Shaurya from Amma *ji*. And you will get to see a lot more drama.”
