She was the one who swayed every morning to the beats of whatever dance number that was belted out in the [Bigg Boss 5](#) [3] house. Energetic and lively, she looked all set to face the day at every crack of dawn with her regular regimen of yoga, exercises, and joie de vivre.

Well sadly, *Bigg Boss 5* viewers will not get to see her graceful moves, her lithe, toned athletic body, her deep husky voice, and her devil-may-care attitude anymore. The reason: 32 year old [Mahek Chahal](#) [4] is the latest contestant to be chucked out. Her eviction came as a shocker to many: for sometime the rumour mills were running in over drive mode that she would win as she was host [Salman Khan](#) [5]'s favourite.

She was nominated this week, along with [Shonali Nagrani](#) [6], [Siddharth Bhardwaj](#) [7] and [Amar Upadhyay](#) [8]. Expectations were that either Shiddharth or Shonali would get booted. But nay it was Mahek who was asked to go.

The Indian-origin Norwegian model-actress got 10 weeks in the house and when she exited, she became the tenth inmate to be jettisoned. Born and brought up in Norway, she entered Bollywood with ' *Nayee Padosan*' in 2003 and has performed item numbers *Chameli*, *Wanted*, *Yamla Pagla Deewana*, *Jai Veeru* and also featured in some major TV commercials.

Said Mahek on her eviction: "I am very happy and relieved. I finally get my freedom back. When I entered the show, I thought I would be in the house for maximum two weeks, not more than that. But to my surprise I survived six nominations and I am very proud of myself."

The Punjabi *Jat Sikh* will also be remembered for her constant spats with [Akashdeep Sky Saigal](#) [9] who had poked fun at the fact that she had undergone plastic surgery to look prettier. Here eyes breathed fire at that time and she clearly showed he had touched a raw nerve.

She had this to say about herself and the incident on her blog: "Due to family crises I moved back to Norway, to be with my family and support them. During that time i had an accident and broke my jaw. Now i am back, and i will work hard and make it this time. I will get my face back, and work hard and prove to my self and whole of India that i can make it on my own talent."

With 10 weeks gone, [Juhi Parmar](#) [10], Akashdeep, Siddharth, Shonali, Amar and Indo-Canadian porn star [Sunny Leone](#) [11] are the inmates left. And of course there is the guest [Andrew Symonds](#) [12] and his translator [Pooja Misra](#) [3]. The field obviously is narrowing down.
