It is time for grown-up Jagdish [3] (Shashank Vyas) and Anandi (Pratyusha Banerjee [4]) to meet each other for the first time in *Balika Vadhu [5]*. The couple has been eagerly waiting for this golden moment to come into their lives.

A source says, "The boy who is troubling Anandi in her village *mela* is none other than Jagya. Anandi's best friend Phooli knows about this secret and is helping him in his plans. He surprises Anandi on her 18th birthday. There will be a grand celebration on her birthday. Meanwhile Anandi's father too returns home though he has gone missing. Dadisa [6]'s entry too will take place in a couple of episodes; there will be a slight change in her look."

There is a strong buzz that some of the actors like Bhairavi Raichura (Anandi's mother) and Vikrant Massey [7] (Shyam) may leave the show. "They are still shooting with us, ever since we decided to take a leap rumours started floating about Sugna, Shyam, Anandi's mother and others of leaving the show. But their tracks are on and off in the show so we do not think it would be a big issue even if they choose to leave the show. The focus will remain on Jagya and Anandi only," our source adds.

Jagdish and Anandi will come face to face with each other on this weekend.
