[Roshni Chopra](#) [3] who was last seen in [Pyaar Mein Twist](#) [4] is tipped to host Sony's [Comedy Ka Naya Daur](#) [5]. Furthermore, the show will see some more changes as [Kapil Sharma](#) [6]'s partner [Ankita Lokhande](#) [7] will no longer be a part of the show whereas [Rajiv Thakur](#) [8] - [Sugandha Mishra](#) [9] will make a wildcard entry.

As reported earlier the show was to be hosted by [Reshmi Ghosh](#) [10] but after the first episode she was replaced by [Shweta Tiwari](#) [10]. However, Shweta was roped in just for two episodes and now Roshni has been reportedly chosen as the permanent host of the show.

A source says, "Roshni Chopra has already been a part of *Comedy*...so the channel decided to get her back once again. Roshni will be seen hosting the show from the fourth episode. However, Kapil Sharma's partner Ankita Lokhande who is currently doing [Pavitra Rishta](#) [11] will no longer be a part of the show due to date issues. The production house is still trying to get someone who can replace Ankita and in all probability Shweta Tiwari will be Kapil's partner in the show. Furthermore, Rajiv Thakur - Sugandha Mishra will make a wildcard entry in the sixth episode."

Another source said, "Roshni is currently shooting for Star Plus' [Jee Le Ye Pal](#) [12] and the shooting should wind up in the next two-three days. However, it's raining in Jaipur and the schedule might get dragged further. Hence, Roshni can host *Comedy*... only if she gets back to Mumbai on time."

Roshni Chopra remained unavailable.
